Terms & conditions

Hello!

Thank you for enquiring and for having your introductory lesson!

At MK Guitar Tuition, you have the flexibility to take your lessons online, face-to-face, or on demand. Like any business, it's important to understand how things work and what you can expect from the service—whether you're learning for fun, working towards your Duke of Edinburgh Award, or preparing for music theory or practical exam grades.

*There are a few different structures available to suit your learning style, and it's worth keeping in mind that you're benefiting from over **30 years of playing experience**.*

MK Guitar Tuition is:

- An Approved Activity Provider for the DofE
- Run by a tutor with over 8 years in business
- Backed by a music degree (Music Commercial Composition & Tech), Grade 8 in Guitar, and Grade 5 Music Theory, AAP.

It's very much a '**one-stop shop**' for learning:

- Electric, Classical, Acoustic & Bass Guitar
- Music Theory (including ABRSM support)

With all that in mind, here's how the service works:

In a nutshell:

- **Lessons run during term time only**, with breaks that mostly align with the school timetable.
- **Payments continue year-round**, which helps provide a reliable and predictable service. You're supporting a full-time business, which in turn enhances the consistency and quality of your learning experience.
- I charge for **4 lessons per month**, even though some months include 5 weeks. Those "extra" lessons help balance out months with breaks—**like August**, which effectively includes a **two-week break**. So although it may seem longer, it **averages out fairly over the year**.
- **Cancellations require one month's notice**. Payments are taken on the **1st of each month**, so if you wish to cancel, please give notice **before the 1st**.
For example, if you cancel on the 25th, your final payment will be on the 1st, and lessons will continue until the end of the following month.

- All scheduled breaks are **published on the website**, and while **August includes the longest break**, it's clearly structured—it doesn't run from July to September.

There's also a **0% interest option via PayPal**, which can make things even more manageable if that's of interest.

If you have any questions at all, feel free to reach out—I'm looking forward to teaching you!

Alex
